Education

- 2014** **McGill University – Desautels Faculty of Management, Montreal QC, Canada**
Bcom, Operations Management, Statistics, Computer Science **GPA: 3.97**
- 2010 - 2014** **Lexington High School, Lexington MA, USA**
GPA: 3.81, SAT 2250

Work Experience

- Summer 2015** **Harvard Institute of Quantitative Social Science (IQSS), Cambridge, MA**
Data analysis and visualizations intern
- Successfully built a dynamic data visualization tool to augment the IQSS's "Dataverse" project. There are plans to put this tool into production.
 - This project required skills in data manipulation and transformation, as well as front and back-end web development in the programming languages of python, R, HTML, css (bootstrap.css page styling), and JavaScript(including d3.js and jQuery.js).
 - Felt comfortable and fully integrated with the data science team quickly, which allowed me to collaborate and communicate effectively.
- 2014** **McGill University - Office For Students With Disabilities, Montreal, QC**
Note Taker
- Takes and uploads detailed notes for students to access, demonstrating an attention to detail, discipline, and strong study skills.
- 2011 - 2014** **Hayden Recreation Centre, Lexington, MA**
Facility Supervisor
- Supervised gym and weight room, illustrating responsibility and an ability to assert authority.
 - Responsible for overseeing multiple classes, demonstrating an ability to work with children and act as a role model

Awards and Distinctions

- 2015 - 2015** **Desautels Management Leadership Conference '15 Case Competition, Montreal, QC**
Best Speaker Award
- Recognized as the best speaker among over 70 first year students participating in a case competition, demonstrating strong public speaking and presentation skills.
- First Place Team Award**
- Member of team awarded first place in the case competition, demonstrating teamwork skills, creativity, and an ability to work effectively under a tight time constraint.
- 2012 - 2014** **National Honors Society (NHS), Lexington, MA**
Member
- Deemed a leader in the four core values of the NHS: scholarship, service, leadership, and character. Induction to the society was based on my academic performance and community service involvement.

Extracurricular and Volunteer Work

- 2010 - 2014** **Lexington High School Drug Prevention Program, Lexington MA**
Drug Prevention Leader
- Responsible for training fellow students to teach the dangers of drugs and alcohol.
 - Worked with many different teams over the years of my involvement to ensure the program remained relevant and meaningful.
- 2012 - 2014** **Lexington High School Tutoring Center, Lexington**
Volunteer Math and Science Tutor
- Tutored younger students in math and science, demonstrating mastery of the material, patience, and an ability to explain difficult concepts simply.

Additional

- Fluent in English and Hebrew, and proficient in Spanish. Citizen of the USA, Canada and Israel.
- Interested in predictive analytics and data analytics, especially in the context of business strategies and healthcare.
- Hobbies include fishing, cycling, and attending arts and music festivals.
